Welcome to the Salisbury Old Mill House which has achieved the prestigious Silver Award from the English Tourist Council, and the Best Breakfast Award. The mill is set in an acre of land with a gorgeous millpond overlooking the magnificent Wylde valley. We are 10 minutes from the cathedral city of Salisbury and 15 from Stonehenge. With much to see and do within a short drive the Mill is the perfect touring base from which to explore old Wessex.

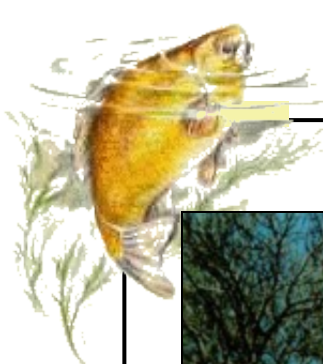

This beautifully restored watermill exudes character, with original 14th century machinery in view. Friendly and welcoming, this guesthouse offers well appointed bedrooms, a lounge area with wood burning stove, and a large dining room in which we serve delicious breakfasts. There are also many fine pub restaurants nearby, to enjoy your evening meal.

We have Wi-Fi Internet connection available for our guests. We also offer secure CCTV covered parking for cars and motorbikes and a lock-up barn for bicycles.

We are lucky enough to be central to all the finest tourist attractions. Stonehenge is one of the marvels of the world, and the magnificent Salisbury cathedral guards the famous Magna Carta and boasts the tallest spire in England (the intrepid can climb the spire stairway to the spectacular views all around!)

Visit the beautiful South Coast including the historic shipyard at Portsmouth, see the Mary Rose and HMS Victory, both of which are an absolute must for maritime enthusiasts!

Walkers and cyclists have the perfect areas to explore the New Forest, Avebury and Woodhenge. Also see the wonderful city of Bath, with the Jane Austen museum and the splendid Roman baths are not to be missed.

Longleat House and Safari Park nearby makes a great day out for young and young at heart! Wilton House and the lovely Italianate church are just 5 minutes down the road. Fly fishing and clay shooting can be organised by prior arrangement. We have equipment and personal instructor for beginners. In fact all sports can be found nearby such as tennis, golf, swimming and riding.

Our breakfasts are prepared with the finest produce. Why not treat yourself to a tasty Full English, or a fresh tangy tropical fruit salad with creamy yoghurt and croissants? Our traditionally smoked Manx kippers are delicious, or smoked salmon and fluffy scrambled eggs can make the perfect start to the day. Please do let us know in advance of any special dietary requirements.

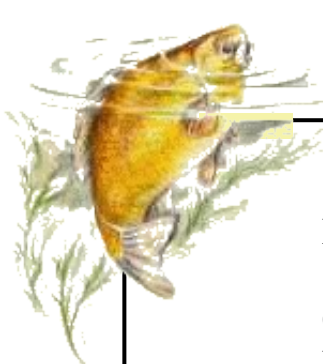

Why not drink a glass of chilled champagne at sunset to celebrate a special occasion? In fact any of our fine selection of wines is sure to please you! On warm summer evenings we are happy for you to drink outside and enjoy the stunning views of the valley.
